### Academic Highlights

---

**Dance** Advanced & Beginner classes will have three teachers. We are blessed to have wonderful and beloved teachers, Ms. Fei Zhou and Ms. Debbie Liu, to continue to teach the dance classes. And we also welcome **Ms. Weiwei**. Once student of famous dance artist Ms. Yanlai Wu, Ms. Weiwei performed multiple times at Department of Dance at Case Western Reserve University and Chinese Spring Festivals of Cleveland. Her K-Pop dance got first place at Cleveland Asian Festival in 2019. With her passion in dance and dedication in teaching, Ms. Weiwei will be a nice addition to our dance program.

**Ms. Shuanshuan Liu** will teach **Adult Chinese Class**. She is currently a full-time staff teaching for World Language at Avon Middle and High School. She is very experienced in Mandarin Chinese. Adults interested in learning Mandarin Chinese are welcomed to enroll, whether Chinese is the mother language or not.

**Fine-art** class, similar to badminton class, will have 2 sessions each Saturday. These two sessions have no difference in term of student age requirement or skill levels. Instead, students will be split into sub-groups in each session. So feel free to enroll any session based on your availability.
